

MONICA BERNASCONI

Strategic Communication | International Relations | Digital Content Strategy

Seoul, South Korea - +82 10 8264 6547 - bernasconimonica12@gmail.com

PROFESSIONAL EXPERIENCE

Communication, Outreach and Digital Marketing | **Langsyong** | *Seoul, South Korea, December 2025 – Present*

- Spearheaded the multi-platform digital communication strategy across Instagram and Naver, driving an 86% increase in community acquisition and expanding engagement across 500+ international and domestic members.
- Engineered a standardised stakeholder management system, executing risk management protocols to streamline onboarding workflows for 15 monthly international participants and 50 domestic participants.
- Implemented tailored mediation strategies, reducing operational friction by 30% across diverse domestic and foreign stakeholders.

Communication & Digital Transformation Trainee | **European Parliament** | *Luxembourg, October 2024 – April 2025*

- Directed strategic UI/UX consultancy for the interface redesign of IATE (EU's flagship terminology system), optimising user flows and multilingual architecture to increase system efficiency by 25% for 36,000+ monthly users.
- Enforced institutional risk management initiatives and compliance frameworks across 100% of public digital assets, achieving zero regulatory breaches.
- Accelerated digital transformation across the unit by executing a modernised content lifecycle and dynamic editorial calendar, expanding platform reach by 40% among global policy audiences.
- Strategised high-level logistical and communications support for 12+ incoming academic delegations and international dignitaries, maintaining 100% adherence to diplomatic protocol.

Strategic Communications & Editorial Lead | **Freelance/NGO** | *Remote, 2021 – 2025*

- Formulated strategic communication and advocacy campaigns for a UNESCO-funded NGO, securing \$8,000 in international project funding through data-backed storytelling.
- Ideated and directed end-to-end production lifecycles for multilingual digital publications, leading trilingual translation teams (EN/ES/IT) to publish 2 magazines and 50+ editorial pieces.
- Leveraged advanced web and audience analytics to re-engineer messaging architectures, scaling the digital footprint of news associations by 50% and boosting engagement by 68% over a 4-year tenure.

International Relationship Manager | **AIESEC** | *Remote, 2020 – 2021*

- Negotiated and maintained global institutional partnerships across 20 organisations and 100 participants, acting as the central liaison between domestic networks, NGOs, and foreign embassies.
- Authored and executed strategic onboarding materials that improved partner alignment by 42% with an 84% conversion rate.
